

The Counseling Office

Your Resource Center for all Things North Surry

The counseling office is here to help students and families in many ways. We assist students with registration and schedules, transcripts and GPAs, individual and group counseling, and work hard to meet many other student needs. If you find yourself with an unanswered question and need assistance, be sure to stop by the counseling office; we are always happy to help!

1

Student Scheduling, Career Counseling, and Future Planning

In the counseling office we work to ensure that the classes you are taking in high school line up with your future career plans. If you ever need to change your class schedule or would like to talk about college and/or career options the counseling office is the place for you.

2

IEP, 504, and AIG Information Center

If you have an IEP, 504, or AIG contract your counselors can help you stay up-to-date with this information. In the counseling office we work closely with many stakeholders within the school to ensure that students are receiving all accommodations they are applicable for.

3

ACT & SAT Test Preparation Materials and Fee Waivers College Application Fee Waivers

In the counseling office students can access ACT and SAT test preparation materials and get information about registering for these tests. Additionally, we can help students determine whether or not they are applicable for both testing and college application fee waivers.

4

Scholarship Information Center

We provide students with many local and national scholarship opportunities. Students can get access to scholarship information by stopping by the counseling office, reviewing the scholarship bulletin board, or by checking out the counseling haiku website as we update this daily.

5

Graduation Information Center

Students and parents can contact the counseling office to learn information about graduation ceremonies and events, senior pictures, and how to purchase a cap, gown, and diploma.
